
STICKY RICE

CONTENT THAT STICKS

VIDEOGRAPHER

Sticky Rice is looking for a Videographer to join our team and work on some of top accounts of the agency.

- Department: Production team
- Full-time (5 days/week)
- Min. Experience: 2 years

THE JOB

The Videographer is responsible for planning, filming and editing videos that could be used for a variety of projects such as social media advertisements or larger digital campaigns.

We are looking for a creative Videographer with a terrific eye for catching action and capturing amazing content. He/she will work with our creative team to plan, film and edit video content according to client briefs. The Videographer's responsibilities include ensuring that the necessary filming equipment is available for use, directing other camera operators on set and editing film footage.

MISSIONS

- Produce high quality videos on set or on location.
- Shoot a variety of different video format for social media: fun & viral videos, campaign teasers, short videos, promotional videos, interviews, influencer collaborations, lives, etc.
- Plan the shoot with the creative team and the client
- Work with the production team to hire staff when needed: models, extras, cameraman assistant etc.
- Ensure that equipment for a shoot is present and working
- Prepare the studio or the set: set up and place the lighting and the audio equipment
- Edit footage in post-production
- Add computer graphics and special effects to a video, closed captioning, graphics and other on-screen text
- Perform routine video and audio equipment maintenance

QUALIFICATIONS

The Videographer has a good eye for detail and beauty. He/she uses skills to tell visual stories with video and audio recorded during various events. The Videographer must be passionate about creating memorable video clips and dedicated to create high quality formats.

- Minimum of 1 year experience as a Videographer with a solid portfolio
- Creativity and attention to detail
- Passion for creating stunning video formats
- Highly motivated and aware of the latest trends on social media
- Enough patience to wait for the perfect shot
- Director skills: guide and manage on set actors and technicians
- Perfect understanding of post-production techniques and softwares such as Premiere Pro, Illustrator, InDesign, Photoshop, Lightroom, etc.
- Provide plenty of creative ideas and an understanding of the clients' vision
- Ability to work under deadline pressure

We love originality, creativity and anything out of the box! If you feel like sometimes you don't belong to human kind, then you definitely belong to Sticky Rice!
